

***\$2000 Signing Bonus**

We are currently looking for a Service Technician to serve as an integral part of our organization by providing safe and reliable service to our customers' propane and/or fuel oil systems and appliances.

- Install, maintain, troubleshoot and repair propane and/or fuel oil systems and appliances
- Maintain the service vehicle which includes reviewing the maintenance record, performing pre- and post-trip inspections and reporting all vehicle conditions requiring attention for continued safe operation and proper vehicle maintenance
- Deliver propane and/or fuel oil as required in a safe and efficient manner by following proper loading and unloading procedures
- Provide superior customer service and strive to achieve zero service related customer complaints
- Bill customers for services rendered and account for funds and inventory which includes operating a handheld terminal, maintaining a trip report and documenting system testing and related information

Why Suburban Propane? Suburban Propane takes pride in serving our employees and does so by offering competitive pay with incentive potential and a comprehensive benefits package including, but not limited to, medical, dental, vision, disability, life insurance, HSA and FSAs, paid vacation, personal and sick pay, tuition assistance, online learning opportunities and training, and a 401(k) with company match and immediate vesting.

- Clean driving record with a valid Class A or B Commercial Driver's License with hazmat, tanker, and air brake endorsements as well as a valid Medical Examiner's Certificate allowing for operation in interstate commerce (or the ability to quickly obtain stated license, certificate and required endorsements)
- Ability to lift 50 to 75 lbs.
- Exceptional customer service skills
- Willingness to work outside in all weather conditions

As part of our pre-employment hiring process background checks and drug screens are performed.

Headquartered in Whippany, New Jersey, Suburban Propane Partners, L.P. (NYSE:SPH) is a nationwide marketer and distributor of a diverse array of products to meet the energy needs of our customers.
