

She began to cry when I told her she was to receive a free delivery of fuel. She said she was "grateful to live in a country that takes care of its people in times of need." – Split the Ticket Dealer

## Split the Ticket with VFDA

The Split the Ticket Program provided more than 7000 gallons of free heating fuel to Vermonters in need last year. We hope to do the same this winter with your help.

### How Split the Ticket Works

If you agree to donate a delivery to one of your customers this winter, VFDA's Split the Ticket Fund will pay for half of the gallons. Just fill out this pledge form and fax or mail back to VFDA by **NOVEMBER 18**.

All participating fuel companies will be featured in a press release, in the Fuel Line Newsletter, and in vermontfuel.com. Check out the press coverage and what people are saying about Split the Ticket at [vermontfuel.com/split](http://vermontfuel.com/split)

This is a great opportunity to show Vermonters how the oilheat and propane industry cares about their community.

Fuel dealers who participate in VFDA's Split the Ticket program agree to donate a delivery of heating oil, kerosene, or propane to one of their own customers. No minimum delivery. Maximum delivery of 150 gallons. The Split the Ticket Fund will pay for 50% of the cost of the delivered fuel. The fuel company will be paid after sending VFDA a copy of the delivery ticket and a short explanation of why the recipient was selected. Participating fuel companies are encouraged to choose a recipient for their Split the Ticket donation. If no recipient is selected by the fuel company, VFDA will work with local nonprofit organizations to identify a recipient. Payments are distributed on a first come, first served basis. If the funds are exhausted before all pledged gallons are delivered, the dealer agrees to make the delivery without the 50% payment. If there are any funds remaining after all pledges have been delivered, dealers will have an opportunity to make a second fuel delivery. Donations may also be used to provide heating equipment or service at the same 50% payment, as funds allow— contact VFDA first. No donations collected for the Split the Ticket program will be used to administer the program, all administrative expenses are paid for by VFDA.

The Split the Ticket Fund is a 501(c)(3) nonprofit organization. (EIN #: 81-3251592) Financial contributions are tax-deductible to the extent allowed by law.
