

VERMONT CLEAN HEAT CREDIT

Customer Information & Agreement Form

In 2023, the Vermont Legislature passed Act 18, which established a Clean Heat Standard. The law is designed to encourage heating fuel and service companies to encourage their customers reduce greenhouse gas emissions. Filling out this form will help your local home energy and service provider meet the requirements of this law.

Clean Heat Credits are greenhouse gas reduction attributes associated with a product or service described in this document and recognized by the State of Vermont under Act 18 of 2023, also known as the Affordable Heating Act.
